

IKKAN SANADA

FOUNDER & PRESIDENT, IKKAN ART INTERNATIONAL, SINGAPORE

PANELIST

IKKAN ART INTERNATIONAL REPRESENTS ONE OF FUTURE\PACE ARTISTS, TEAMLAB, THE JAPANESE ART COLLECTIVE RECOGNIZED FOR CHALLENGING AND EXPANDING THE DIGITAL ART MAKING PRACTICE

Ikkana Sanada, founder and president of Ikkana Art International, has been active on global art market for the past 40 years.

Over the past seven years, Ikkana has worked closely with teamLab, a digital art collective based in Tokyo, as their primary advisor and dealer, helping them chart a course that has generated the global awareness of their digital work. teamLab is an interdisciplinary group of ultra-technologists whose collaborative practice seeks to navigate the confluence of art, science, technology, design and the natural world.

“

"Join me on the 19th of March 2018 at Art Talks I: Art, Real Estate and the Built Environment where I will be speaking on teamLab as part of the Future\ Pace panel. Learn more on the overview page."
